

Legal Research Services

UPSET

Union of Prisoners Seeking Equal Treatment

LEGAL ASSISTANCE IS EXPENSIVE

There are few legal providers who offer professional, case-specific individualized post-conviction relief at an affordable rate. These high costs for legal services too often create a financial burden for the families of prisoners and is a constant source of stress to both men and women imprisoned throughout our prison system.

PRISONERS NEED AFFORDABLE PROFESSIONAL LEGAL ASSISTANCE...

UPSET LRS, INCORPORATED will review your case to insure your 4th Amendment rights were not violated and that probable cause existed. Further, we will analyze your arrest warrant for accuracy while questioning your receipt of effective assistance of counsel. We will research and provide current case law and statutes not commonly available at most facilities. We are an independent, privately owned business operating without any financial support or debt to any Federal or State agency.

We provide legal assistance on a first come, first serve basis. *At what cost to you?* **\$350.00 Annually** or **\$75.00 Initial Payment & \$30.00 Each Month!** To activate membership, complete the following data sheet and mail it with your selected form of payment in either a money order or a cashier's check payable to:
